LIFE VALUE

Pregnancy Test Kit

Peace of Mind in Every Test

A pregnancy test kit is a simple and easy-to-use test that checks your urine to help you find out if you are pregnant. It works by detecting a hormone called hCG, which is produced during pregnancy, giving you quick and reliable results in the comfort of your own home.

Ovulation Test Kit

Helping You Catch the Right Moment

Take control of your fertility with our easy-to-use ovulation test kit.It detects hormone called luteinizing hormone (LH), which rises before ovulation, helping you identifying your most fertile days with confidence. Fast results, clear indicators, and reliable performance make your family planning simpler and less stressful.
