

Disinfectant Wipes

Medtopia wipes are tested to EN standard as effective against a range of bacteria (E.Coli), viruses (SARS-CoV-2, Influenza A H1N1), yeasts and kills up to 99.999% germs in 1 minute. Ideal for all who require an effective solution to their infection control needs on hard surfaces. Wipes are thick and strong for everyday use on touch points to reduce the hazards of cross contamination.
