Product data sheet for uvex athletic

The dirt-resistant universal uvex athletic all-round safety gloves are ideal for mechanical tasks. The robust NBR foam coating produces a glove with high mechanical abrasion resistance, a secure grip in dry and slightly damp environments and high breathability. The comfortable “slim-fit” design provides very good tactile feel when assembling smaller workpieces.

Features

- Good grip
- Good fit
- Very good dry grip

Suitability for industrial work environments

- Suitable for dry and slightly damp work environments

Material number	60028
Sizes	6 - 11
